

## \$200,000 BLEACH

MUST be the most expensive bleach in the world, this \$200,000 water-tender. There it sits in Chaguaramas waiting for repairs more than a year after it was involved in an accident on its way to a fire in Laventille.

Actually, the tender did not see much service since it crashed a few months after it went on the roads in December, 1975. Members of the service's fire station at Chaguaramas have found some use for it, however — it makes an ideal "bleach" for sunning towels, tunics, sneakers and the lot.

## Whe-whe raid

FIVE men between the ages of 55 and 65 years were arrested on Friday afternoon when police raided a whe-whe bank at Papourie Road, Princes Town.

Sgt. Thomas Hoyte and Cpl. Alexander of the Princes Town Police found the men around 4.30 p.m. and seized several whe-whe marks. The turf is believed to be a popular one, used by many people in the area.

# PANORAMA 'NATIONALS' ON TODAY

PAN Trinbago has asked steelband enthusiasts to "do a repeat of last Sunday's Panorama behaviour.

Public Relations Officer, Mr. George Goddard, yesterday said that last Sunday's Panorama went as smoothly as it did because of the co-operation of the thousands "who had their jump then jumped out of the band as it went on stage.

However, he warned disc-jockeys not to play at the Frederick Street entrance of the Savannah since it caused a "jumping bottle-neck," impeding the free flow of the bands.

The North Stands have been completed which means that the crush in the Grand Stand will be avoided. Entrance to the Panorama "track" will be free, but tickets for the North and Grand Stands will be sold today.

The results of the South Panorama semi-finals have been announced. The successful bands are: Stag Fonclaire, Ross and Sons Antillean All Stars, Ramoutarsingh Olympians, Point D'Or Nightingales, Maritime Life Hatters, Golden Glow Tropical Angel Harps., Hillside Symphony and T & TEC Mowtown.

Today's national preliminaries begins promptly at 10 a.m.
