

Pannist in hospital

PANNIST Earl Brooks was in the Port of Spain General Hospital, reportedly in a stable condition yesterday, after suffering lacerations to the face in a vehicular accident on the Churchill-Roosevelt Highway early yesterday.

Brooks, a tenor player with Phase II, was returning from the South-Central steelband preliminaries at Skinner Park. The car in which he was travelling hit a parked truck.

Brooks arranged the tune played by former south and national champions Hatters.
