

War Memorial, Trafalgar Square, Barbados.

B. W. I. 18/1/65.

We are spending 3 weeks
here with Boris sister
and her husband who
have taken a cottage
(and servants) on a
delightful beach right
on Barbados. This is
at a different part of the
Island than where dear
Amy stayed 2 years
ago. Lots of sunshine
but pretty hot - one day
58° - Love to all the
family
Gerald
