

T-6 ^{2/3/48} GREETINGS FROM TOBAGO
British West Indies

The Anglican Church stands in Plymouth, Tobago's first
Capital where the French and English fought in 1666.

Glad to receive a letter from
Trinidad. If we stay a few
days with Jette's Cousin will
give a telephone call and
maybe we can have dinner
together. Having a delightful
cruise. Enjoyed a fine
beach swim here and a
outdoor picnic. Hope you
are both well. Love Jette
