

Central steelbands merge to get Panorama big sound

TWO STEELBANDS in Central Trinidad have merged in an attempt to produce the "big-band" sound to win honours in the 1977 Panorama competition.

They are Golden Glow Tropical Melody and Enterprise Angel Harps, of Chaguana.

They are operating with 100 members under the new name of Golden Glow Tropical Angel Harps.

A new slate of officers has been elected to put the merged band on the road to success.

Officers are: Mr. Phillip Morris, captain; Mr. Fred Glasgow, Vice-Captain; Mr. Clarry Benn, pro-tem secretary-treasurer. Representatives on the Panorama Committee of Port of Spain: Mr. Joel Bristol, Mr. Mervyn Cambridge and Mr. Lenin Jones.

and South Trinidad since they couldn't perform to the best of their ability with the smaller bands in Central. But we are sure that they will remain now," stated Mr. Benn.

The band, which will retain the sponsorship of Caroni Ltd., will perform with about 80 members in the Panorama preliminaries. If the band goes further, the other members would be included in the later stages.

"We intend to be the first band from Central to win Panorama," added Mr. Benn.

Central Steelbands Merge to get Panorama Big Sound
