Dearest Robert

Mama landed this morning in Spain. I did health & spirits just in time to join us in our trip to the Plantations on the East Coast where we shall stay about a week. She had an excellent voyage bringing along Mr. Frahl-

Whippermann - Di'tha did get engaged to Mr. Frahl, you must remember him from Weiden. She will have plenty of good things. It's very dry & hot here, but we came just in time for mangoes. Now I made already many friends, like the place was so much. Next mail more this is only a sign of life & love from Grandma.
