England

Fruit Vendor, Port-of-Spain; Trinidad, B.W.I.

This is to wish you many happy
returns the I don't know
when you will get it. I hope
you will like the book, that
Mother is getting 70 from Grand
father & me. We are both a lot
better. I am sorry you cannot see
the lovely little bird & some of
the flowering trees that are
coming out now. Love from
Granny
