

FONCLAIRE MAY BE THE BAND TO WATCH

SAN FERNANDO DESK.

VAT 19 Fonclaire won the Panorama South/Central finals on Sunday night at Skinner Park, San Fernando, with 270 points.

This is two points more than WITCO Desperadoes' score at the North final, and three points more than ISCOTT Casablanca in the same competition.

This indicates that Fonclaire has to be considered a serious contender for the national title, up for grabs on Saturday night. Fonclaire was third in the Panorama South/Central preliminaries last week.

Second in Sunday night's South/Central finals was Siparia Deltones, with 267 points, and third was Dunlop Tornadoes, with 260 points.

This was a come-down for Tornadoes, who won the South national preliminaries.

Fourth place went to Silver Harps, with 249 points. There was a tie for fifth position, with TTEC Motown and Antillean All Stars both scoring 247 points.

Sixth was PLIPDECO Hillside Symphony, with 241 points, and seventh was Panasonic Connection, with 227 points.
