TRINIDAD & TOBAGO

I am sure you would like all  
the beautiful scenery to paint. It  
really is lovely - with birds and noises  
of bright-colored flowers. The Savan-  
naging is wonderful and we went  
snorkeling Mt Buccoo Reef and saw  
amazing underwater beauties - sloped  
tropical fish, coral of every description  
+ the muscle of our old ship.
