### Showing Him How

# Israel Demands Egyptian Guarantee

**JEERUSALEM, Special Service, 28A. 28 (AP)**—An Israeli foreign ministry spokesman declared today that "either the Egyptian Government or the Egyptian people must guarantee the safety of the Suez Canal to the satisfaction of the United Nations Security Council."

The spokesman said he also "has no doubt" that the Egyptian Government will accept the demand.

He said negotiations are being held in London, but he said that the Egyptian Government has not yet agreed to the demand.

He said that the Egyptian Government has not yet agreed to the demand.

### UK Economic Base Strong

**NEW YORK, Jan. 29 (AP)**—The United States Economic Council today said it would take an optimistic view of U.K. economic prospects, but it would not say whether it would support the U.K. plan to raise the value of the pound.

The spokesman said the U.K. plan to raise the value of the pound is "a bold step" and that the U.S. would support it if it is in the U.K.'s best interests.

### BBC To Mark Federation

**BRISTOL, Jan. 29 (AP)**—The British Broadcasting Corporation today announced it would mark the 50th anniversary of the formation of the BBC on February 14, 1927.

### Laventille Bus Route Changed

**PORT OF SPAIN, Jan. 29 (AP)**—The Laventille bus route is to be changed from its present route to a new route which will pass through the Laventille area.
