

Meeting the steelbands

SEEMS Prime Minister Dr. Eric Williams has started a new tour—Meeting the Steelbands

Last week he dropped in on City Symphony for a close up of designs of the band's Carnival costumes.

On Friday he made not

one, but two stops overs at pan yards in Port-of-Spain.

First stop: Y. de Lima Blue Diamonds. Then a quick look in on Catelli All Stars.

In picture: Dr. Williams with clasped hands listens to a young bassman from the Blue Diamonds.
