Dear Mrs. Wade: - Thanks ever so much for your card, & also papers which are exceedingly interesting we simply feast on them on their arrival & when we are there with some of them we pass a few of them on to a lovely friend of ours who is very fond of reading. We are so pleased to hear that you are happy in your new home & I think the change will do you good instead of staying at Yorkers where it would bring every thing always green to your memory. Mother is not quite up to the mark. I am feeling pretty good. Sincerely E. de Barres
