Dear Eleanor

and Bob: Thank you

for the beautiful

anniversary card & its

message. - we appreciate

it very much. We are

at Port of Spain, on Trinidad

now, having visited

Antigua & Barbados.

This is a thriving city. -

Hotel Hilton is modern

& beautiful. This island

receives more rain than

some do, so tropical

plants & flowers are

especially pretty. There

are birds with

exceptional coloring here

It's very hot; - we've had 2 delightful cruises on Caribbean
