

THE LIMBO  
Dance of the Tropics

Tuesday  
April 11

Dear Elsie,

The picture on the front  
isn't as good as the real  
thing - last night I saw  
a much better performance - the  
pole was lower and was  
on fire - also saw several  
tobacco dancers dance over  
broken bottles. Am working  
hard these days, but playing  
hard too - This past weekend  
we went to a couple of beaches -  
they are really great, as there  
are never many people and  
there are endless miles of  
sand, palm trees + coconuts and  
surf. Received Aunt Ann  
Lulu's cards -
