

Steel-Bandsman On Wounding Charge

Elie Manette, leader of the Invaders Steel Band, was charged this morning in the Third Police Court for maliciously wounding Ossie Campbell, a member of the Casablanca Band. Mr. W. B. Celestain, presiding magistrate, gave Manette his personal bail in \$100. Hearing was postponed to February 7.

The charge is a sequel to an incident which occurred at the corner of Abercromby and Duke Streets yesterday morning.
