ADDRESS

Across the street from the hotel  
 is a large savannah with flowering  
 trees, etc. & beyond that the Botanical  
 Garden & the Governor's House  
 and then the mountains. Tonight  
 we are sailing on the Alcoa freighter  
 to visit the Surinam jungle - a  
 week's trip. Here at the hotel we  
 met Mr. & Mrs. Bowers - A.M.C.  
 Birds are singing; temperature  
 is in the 80's. Love, Helen D.
