# Steelbands

Special championship classes for the best six steel bands and six best ping pong soloists, as placed by the adjudicator, have been included in the programme of the T.M.A. Music Festival to be held at the Church

Silver cups will be awarded to the winners in these classes, which are additional to the ordinary steel band and ping pong classes already announced.

The T.M.A. Music Festival Committee stated yesterday that any competitor winning a trophy three times running will be given a replica for permanent keeping.

## ELEVEN TROPHIES

The committee also revealed that there will be 11 championship trophies for competition this year in addition to the Certificates of Merit — three more than last festival.

It is now definite that preliminaries in San Fernando will be held at the Arcade Hall, and in Tobago at the Scarborough Community Hall.

The adjudicator, Dr. Sydney Northcote, is expected to arrive in Trinidad by Elders and Fyffe's ship on March 1. The festival dates are March 10 to March 25.
