

Eight for Panorama in South

The extremely keen competition at the Steelband Panorama put on by the San Fernando Carnival Development Committee at Skinner Park last Sunday afternoon, caused the judges to name eight bands, instead of seven for the final show on Saturday, February 19.

The Panorama was the first pre-Carnival show in San Fernando and proved a great success.

The leaders of the eight bands selected are to appear at the Gaiety Cinema, San Fernando, on February 13 to draw for playing positions in the finals.

At the Gaiety Cinema on Sunday, calypsonians will strive to gain places for the Calypso King finals, which takes place at Skinner Park on the same programme of Panorama.

The eight steelbands named for the February 19 show:

Acme French Metronomes, Burnley (Guapo), Guinness Cavaliers, Penal Highlighters, Scarlet Symphony (Marabella) South Southern Marines (Marabella) and Texaco West Stars.
