# The "Dustbin" Band Is In London

TRINIDAD'S ALL STEEL PERCUSSION ORCHESTRA now making a tour of England as Trinidad's and Tobago's contribution to the Festival of Britain made their first public appearance at the South Bank Exhibition recently. Seen here are large crowds listening to the band under the leadership of their manager, Lieut. N. Joseph Griffith of the St. Lucia Police. At back are the Tenor Booms, next the Alto Pongs and in front the Ping Pongs. —(Central Office of Information Photo).
