

SAVE THE STAMP!
COLLECTORS ITEM! is terrific!

The PAN CAYMAN HOUSE - P.O. Box 440,
Grand Cayman Island, British West
Indies, 10 air-conditioned deluxe rental
apartments, completely furnished,
located on Famous Seven Mile Beach.

And 10 hrs. later we are
here! Truly rustic and
ruff except for banks, banks,
banks from all over the
world - no taxes! The
airport is reminiscent of
of H. Bogart movie
complete with overhead
fan. Driving on the left
hard to get used to. Made
friends with the local
cat, several birds and
the misquitoes think we are
the sweetest things this side
of heaven! Love-C+C
