
Steelband Recital For South Tomorrow

The Trinidad All Steel Percussion Orchestra (T.A.S.P.O.), successfully presented in its first public performance at a Port-of-Spain cinema last night, will present the same programme at a San Fernando cinema tomorrow night.

The T.A.S.P.O. is under the leadership of Lt. H. Griffith, who has been rehearsing with the band for the past three weeks. He has arranged the music on the programme for the steel orchestra.

The programme will include Clarence Johnson (tenor) and Jose Ramon Fortune (Eh bien oui donc donc).
