We received your news  
letter + wish you the  
Seasons Greetings. It is  
wonderful that Sasha's  
book is a best seller. He  
said he may be down to see  
us this spring. Hope so -  
As of today, I became  
Director of the Emperor Valley  
Zoo here - along with my  
job in charge of the Museum.  
There lots to do + plenty of fun  
doing it, we are all en-  
joying ourselves + well ad-  
justed to everything. Life  
is easy going here - of  
course the country beautiful  
we all send our best.  
P.S. I see Mr. <sup>Catharine</sup> Wm. Beebe every  
now + then.
