Dear Mum & Dad Harkness:
We arrived safely in Tobago.
Everything has gone like clock
work so far and we had fun
in Trinidad.
We are lying on a beauti-
ful beach beside our hotel.
Relaxing in the trade winds
and have just come out of
the warm, clear ocean - very
lovely. We are going for a drive
around the Island this
afternoon.
Thank you very much
for the lovely dinner and
evening in Toronto. Love
Helen
