 Mass
 U.S.A.

PHOTODUPLICATIONS ENGRAVING CO. LIMITED, OTTAWA

we saw the Valley today
 on a trip since across the hills
 to heavenly looking hill the
 unknowns since are nipa
 orchards, it's a real world for
 us here - the trees are dangerous
 here - but wonderful at Grenada & Barbados
 very truly water here - we saw a
 pair of agoutis - every one says they
 been half seen here - an account
 more here, just travel - Ruby, N.C.
