POST CARD.

Dear Ethel,----- Do not wait for me to write:
Send me a message at every opportunity, have
Confidence, absolute ~~trust~~ ^{TRUSTLESS ONLY HERE}, and do not judge.
Return good for evil that the undeveloped
ones may learn to follow the Higher Light, that
they will realize the advantage of following
the Path which will lift humanity to the LIGHT.
Tell me, Did you receive my last two letters?
One of Feb. 27, the other I think, about the early
part of March (was posted) If you have not re-
ceived, I will send copy. At the present time
I am studying mystics, which take a large por-
tion of time. With Eternal Love to you, I am,
as I have ever been in the past, Yours,

And death shall not part, Marischal.
