We are out of **POST CARD** DOME TO BERMUDA
 the trade winds and the **THE ISLES OF REST**
 rain THE ISLES OF REST
 the most beautiful **POST CARD** DOME TO BERMUDA
 growing out-door, wild
 banana plants and trees
 brought from East Indies -
 many Hindoos in Trinidad -
 they look so gentle and calm
 many carrying birds and
 parrots on their wrists.
 Sounds of American jazz
 coming from the Governor's
 house. Englishmen riding
 past looking like "my brother Blanchard".
