

# TOBAGO, WEST INDIES

Here on Pigeon Point Beach it will soon be sunset. You will remember the clear blue water and the white coral sand, long after your tan has faded, for you have spent a day on one of the Caribbean's most beautiful beaches

Dear Mary.  
We are having a great holiday. We are now in Trinidad as you can see from this card. It is a complete removal from the gloom of Cl Road. Lots of love.
