at Worthing on the beach
before break fast. Hot sunny
rained heavily in the night
but no hurricane. Went
shopping down this lane on
Saturday morning. Spent book
at Government House and tomorrow
touring island in car of College
lecturer. Bermuda was heavenly
beautiful. Had fun, with girl
from West Grinstead riding round
on putt putt cycle. Went out every
night with Americans to see Steel Band
Limbo dancers & water skiing.
Excellent food, comfort. Weather.
