

Aerial View, Beach and River Mouth, North Coast, Trinidad, W. I.

Dear Clarence,
 I would have sent
 you a card if the
 ship had not taken your
 new address with me.
 Got back Friday from
 13-day cruise & five is-
 lands in the West Indies.
 They still wrote me with
 Thomas and told me how nice
 Edith's party was.
 I am still Bulletin
 Editor - It was noted in
 the Bulletin
 with the other attendees.
