

DIGGING PITCH, TRINIDAD.

Oct 1923 #4

POST CARD

CORRESPONDENCE.

ADDRESS.

Just after I came ashore the *Crysser*
 sailed away to *La Brea* to load
 asphalt (Pitch). Had I not had
 business in Trinidad I could
 have seen the Pitch cube. Asquibly
 as they chip it off the top, it fills
 in at the bottom! Because the
 roads in Trinidad are excellent.

British Manufacture Throughout.
