

Just a line to thank
 so much for your useful
 forecast just when I wanted
 to leave by mail. 25th
 This month, I am looking forward
 much to my 27th Sept. 23
 manage to get ready in time
 mail. May or partly will be
 returning on that day too
 so we should only have had
 a couple of hours together
 as my mail leaves quite
 early. Love & hoping to see you
 soon. N. D.
