Carnival Corner

About the Northern Greens & Paddock Areas
 Patrons will be accommodated in the Northern Greens, which has been designed for standing room only, similar to the former North Stand. Accommodation will also be available in the Paddock area, dubbed the Paddock Stands and Paddock Grounds, for patrons who would normally have viewed the event from the Grand Stand.

Steelband Route
 All steelbands will enter the Queen's Park Savannah opposite Victoria Avenue, move **NORTH** along the paved track, and turn **RIGHT** onto the performance stage in front of the Paddock Stands. After their performances, all steelbands will exit at the **SOUTHERN** end of the Paddock area, then proceed **EAST** towards Jerningham Avenue.
