

Dear Nell - Sailing **POST CARD**
 through the lovely islands
 of the Lesser Antilles we
 find many beaches like
 this. I've practically
 taken on the native
 fishing. The fishing
 has been disappointing
 and the sea a bit rough
 but the islands are very
 interesting tropical and
 lush, and each one quite
 different.
 Maracas Bay, Bathing Resort,
 Trinidad, B.W.I.
 Best to you. W.S.O.
