

Phase Two wins with own tune

FOR the first time ever, a steelband has won a Panorama competition with its own composition.

The unsponsored "Phase II Pan Groove" on Thursday night repeated their semi-final performance by winning the North Zone "Panorama" finals.

Their rendition of "I Like to Beat Pan," composed and arranged by Lennox "Boogsie" Sharpe with lyrics by Alvin Daniel beat the much-favoured WITCO Gay Desperadoes into second place.

Lever Brothers Gay Flamingoes were the winners in the East Zone.

The full results are as follows: (North): Phase II Pan Groove, WITCO Gay Desperadoes, The Pandemonium, AMOCO Renegades, T&TEC Power Stars, Catelli Trinidad All Stars, Port Contractors City Symphony and Merry Tones.

(East); Lever Brothers Gay Flamingoes, Sylvania Potential, Arima, Angel Harps, Colgate Melodians, Sforzata, Solo Harmonites, Turban Starland and UWIBird Song.
