

# Emergency Panorama meeting

PAN Trinbago will host an emergency general meeting today to discuss plans for Panorama 2007 with band members.

Pan Trinbago president Patrick Arnold yesterday told the *Express* that the "extraordinary" meeting was being held to "sensitise our members and make them more aware of plans for Panorama 2007".

"We have been discussing it (plans) at the executive level

and we think that now is a good time to talk with band members to let them know what will be expected of them. What they know so far is what they have been hearing in the media."

He confirmed that the semi-final leg of the competition would be relocated to the western end of the Queen's Park Savannah, Port of Spain, with the final at Skinner Park, San Fernando.

Today's meeting will be held at the Grand Stand Queen's Park Savannah and is carded to begin at 5 p.m.

Pan Trinbago has called on all "bands to make a special effort to attend this very important meeting".

Arnold said he was optimistic the semis and finals would be more than successful, regardless of the new changes.
