

COCONUT CART

GREETINGS FROM TRINIDAD, W. I.
Coconut Vendor, downtown Port-of-Spain

This is a perfect island
for a holiday. We have
been bathing at the Beaches
several days - am very
sore but not too painful.
The scenery is really beautiful,
and weather perfect. Friends
have been very kind. Yesterday
we spent the day on a beach
about 100 miles from P.O. of Spain.
Coconut Groves, Cocoa, Coffee and
sugar as well as fruits & vegetables
grow in some of the valleys. We
leave for Barbados on Tuesday - &
will probably be back in NY about 22nd.
