

THE GAY FLAMINGOES

BRASS AND STEEL WILL COME TOGETHER

A TERRIFIC combination of steel and brass will come together when the Joey Lewis Orchestra and the Lever Brothers Gay Flamingoes steelband appear at a pre-Carnival dance at T&TEC Ball Room, Port-of-Spain, on Friday February 4.

This presentation by the Family Circle Sports

and Cultural Club is in aid of the T&TEC Building Fund. It starts at 9 p.m.

There will be a bar, supper and ices, plus fantastic door prizes which include a costume to play in a section in the band of your choice, a ticket for one at the Queen's Park Savannah on Carnival Tuesday and one case of Guinness Stout.
