

THE ROYAL BANK OF CANADA. Port of Spain, Trinidad, B.W.I.

Over so many thanks for card received
 yesterday. Well I am safe in P. school all
 before. Arrived on 19th Dec. in good time
 th Lucas. Mr. Gambal & Evelyn are in
 good at present. Hope you received
 Polly's cards together. Hope you received
 the letter I wrote you a few days
 before I left N.Y. as you may imagine
 I have been on the bush ever since
 my return. Had a good passage out
 as you as weather was concerned,
 but the boat was crowded which
 made it very uncomfortable. I was
 very sick
 with a bad cold which
 developed a couple of days
 before I left N.Y. however
 as soon as we got into the
 warm weather it commenced
 to disappear. I don't look
 as lovely as ever, but the
 weather has in been particularly
 cool. Heard from Helena yesterday.
 Seems to think her wedding will come
 off early in Feb. but no date fixed
 when she wrote. Must wish you & all yours
 much love,
 M. S. Miller
