MUSICAL MAGIC: IT WAS an evening of sheer musical magic as the Neal and Massy Trinidad All Stars opened their Classical Jewels VIII concert at Queen's Hall last Thursday night.

The final performance, featuring the works of Bach, Rogers and Hammerstein, Dvorak, Beethoven, Elgar, Tchaikowsky, as well as David Rudder and Pelham Goddard, will take place tonight. **Above,** talented conductor, Gillian Nathaniel Balintulo conducts the band on stage. *Photo by WILSON LEE YOUNG.*
