AIR MAIL 10-

Thank you so much for
your pretty card & kind
thought of me at Xmas.
I am so glad to know that
Mr. Blossom has quite recovered,
as it is a nasty complaint to
have & keeps recurring.
We hope some day to have
you back with us & I trust that
I will still be here. We are
all looking forward to H.R.H.
Princess Margaret's visit
to Trinidad. Wishing you
both all the best in 1955
