

Scarlet Ibis: One of Trinidad and Tobago's National Bird.

Feb. 21, 1980

Hello Marion + Ed:

Guess you're surprised to get greetings from me from this part of the world. I came down here to visit some cousins and see the famous Carnival. It is fabulous - colorful, brilliant etc. Am to leave here tomorrow to go to Barbados until March 1 when I will return to the U.S.A.

Please give my regards to Aunt Doris and Edwin. Hope to visit you this spring or summer.
