This dear - We're simply  
 mad about this glorious  
 place, I understand it  
 been all replanted  
 since the '63 Hurricane.  
 When were you here?  
 Our building is new  
 & our balconies look  
 out on this view.  
 Lunch & breakfast down  
 here - but we drive up  
 the hill for dinner & tea.  
 Bud is thriving.  
 XOXO Janet
