

MIKE'S TRANSPORT AMBOYS

' the band with the sound '

Only five years in the game, and always a threat to the Big Guns. AMBOYS have made the Semi-Finals twice at Panorama. It all started in 1966 with a group of unemployed youths from Belmont who wanted to give Belmont a SteelBand of its own. According to the band's captain DAVID McLEAN, the reason for the band's success, is the co-operation from all members, even when they had no sponsor, and the dramatic way in which they have arranged their tunes. Playing a big part in their success is their sponsor 'Mike's Transport & Taxi Service' who have been a great help in more ways than can be mentioned. Mike's Transport Amboys believe they are hard to beat, and hold high hopes for success in Panorama '71.
