

Air Mail

Though mainly a bunkering port for ocean-going vessels, Port-of-Spain is also a center of inter-island trade by "sloop" and "schooner"

One must wait to the ship
 I had to cut out
 about 2 hours of
 sight-seeing today
 in order to go shopping
 I got the things for
 Virginia and the girls
 in the office. Will be
 able to get in the sight-seeing
 when I get back
