LAST WORDS FOR MAURICE AND OTHERS *

Last words matter
when visions
of Societies
when principles
of Ideologies
when theories
of Revolution
live and die
on the lips of men

Last word matter
when Principalities
and Powers
when Proclamations
of Nations
when theories
of Freedom
live and die
on the lips of men

* This poem is based on Maurice Bishop's last reported expression — 'the masses'.

Last words matter
when Survival
of Humanity
when Rights
of Minorities
when Treaties
and Legalities
when Missiles
and Armies
when Theories of Revolution
when Theories of Freedom
live and die
on the lips of men

Last words matter
Last words matter
when they seal
the visions of men
the masses
the masses
of the World
matter
