DELTONES IN SOUTH PAN FINALS

TEXACO DELTONES will be among the bands taking part in the finals of the Southern Steelband Movement's 1978 Panorama next week.

The decision to include Deltones was taken at a special meeting of the organising committee of the SSM yesterday.

The leader of Deltones had protested its exclusion from the finals on the grounds that its score and that of the seventh band chosen had been marginal.

Deltones scored 209 points while seventh placed Ramoutarsingh's Olympians scored 211 points.

The inclusion of Deltones will now see nine bands competing in the finals carded for Sunday, February 5. Draw for positions of appearance will take place on Sunday morning at the PSA centre, Paradise Pasture, San Fernando.

Finalists are: Trinidad Tesoro Third World, Point

D' Or Nightingales of La Brea, Ross and Sons Antilleans, T&TEC Mowtowns, Silver Harps of Point Fortin, Trintoc Sun Valley of Point Fortin, Ramoutarsingh Olympian Steel Kings, Texaco Deltones and last year's winner NBC Stag Fonclaire.
