SVGRNA distributes face masks to rural communities

ON MAY 8, members of the St Vincent & the Grenadines Retired Nurses Association (SVGRNA) travelled to the North Windward districts and handed over 500 face masks to Nurses for use by community residents of Owia, Fancy and Sandy Bay.

These masks were accepted by Community Health Aid Iselma Lorraine and Staff Nurse Lucresha Nanton for the Owia health clinic; Registered Nurse Shelly Joseph accepted for Fancy health clinic; and Registered Nurse Shellyanne Brown accepted for the Sandy Bay health clinic.

The Communities of Greiggs and Lowmans also received 250 masks the following week. These were accepted by Nurse Joann Douglas at the Greiggs health clinic. Demonstration of the proper application and removal of masks were done, and the nurses were encouraged also to demonstrate to the recipients.

SVGRNA supports the Ministry of Health in the wearing of face masks in public and encourages frequent hand washing with soap and water, in addition to physical distancing to combat the spread of Covid-19.

RSVGPF warns bicycle riders to adhere to the rules while riding

PARENTS AND guardians of teenage bicycle riders have been encouraged to be vigilant and to ensure that all the requirements are adhered to before these young cyclists are allowed to go riding.

The Royal St Vincent and the Grenadines Police Force (RSVGPF) in a release issued Wednesday said since the suspension of schools due to the Covid-19 global pandemic, the Traffic Department has observed that some teenage bicycle riders have been riding in groups negligently, recklessly and at speeds or in a manner that is dangerous to the general public. It was also observed that these teens are riding without the appropriate gear such as warning devices, lights, breaks and helmets.

Superintendent Kenneth John, Head of the Traffic Department outlined that on observation of these occurrences, officers will signal

these teens to stop. However, they will divert into the traffic, gaps or byroads to avoid the officers. Superintendent John stressed that under the Bicycle Act these incidents are offences.

Superintendent John is encouraging parents and guardians to be vigilant and to ensure that all the requirements are adhered to before these young cyclists are allowed to go riding. He further stated that these guidelines are in an effort to reduce any repercussion that can result in serious injuries or even death.

The Traffic Department is therefore soliciting the compliance of parents and guardians as relates to the issue and guidelines. Superintendent John expressed thanks to the general public for their continued strong support in this regard.
