

Witco Desperadoes tops in competition

WITCO DESPERADOES won the 8,000 first prize in the pan celebrations marking Point Fortin's ninth anniversary Borough Day celebrations on Saturday.

Fonclaire placed second and Solo Harmonites third. Other bands in the competition were Dunlop Tornados, Pamperi and Trintoc Sun Valley.

It is estimated that 15,000 to 20,000 people went to Point Fortin for the first big pan fiesta outside of carnival.

Deputy Mayor, Francis Bertrand said yesterday that preliminary indications showed that everyone was pleased with competition.

Competition got off to a late start around 2.30 p.m. Bertrand said that Point Fortin's 10th anniversary as borough next year should mean an even bigger pan competition.
