

OIL TANK STEAMER
"TRINIDADIAN"
BURNING AT SEA

POST CARD

9.50

FIRE AND WATER

Like man himself, they can be the Best Friend; and can also be the most costly and destructive Enemy of the human race.

This is an actual photo of a fierce, costly and unusual fire at sea. Many thousand gallons of oil and a valuable ocean-going vessel were destroyed.

Am coming to see you, and will gladly give full particulars.

J.M. DRAKE.

REPRESENTING
THE MOORE OIL COMPANY
COLUMBUS, O. CINCINNATI, O. LOGANSPOUT, IND.
