

Despers will be at Panorama

WEST Indian Tobacco Gay Desperadoes is among the 52 bands taking part in Sunday's Panorama preliminaries.

The band failed to meet the entry deadline but a late entry was accepted following discussions between Pan Trinbago and Carnival Development Committee (CDC) officials yesterday.

The Laventille band will be the last steelband to play.

Angostura Old Oak Casablanca will be the first band to appear at the Queen's Park Savannah competition.
